

REMARKS

In the Office Action, the Examiner noted that Claims 1-8 are pending in the Application, that Claims 1, 2 and 6-8 are rejected, and that Claims 3-5 are objected to. By this amendment, Claims 1, 2, 6, and 8 are canceled without prejudice; Claims 3-5 and 7 are amended; and Claims 9-13 have been added. Thus, Claims 3-5, 7, 9-13 are presently pending in the Application. Specifically, Claims 3-5 are amended to comply with the Examiner's objection; that is, Claims 3 and 5 are rewritten in independent form to incorporate all of the limitations of independent Claim 1 (now canceled), and Claim 4 is rewritten to depend on Claim 3, as amended. Likewise, Claim 7 is amended to depend on Claim 4, as amended, as opposed to depending on Claim 2, which does not have an antecedent for the means imparting reciprocal motion. As such, it is believed that the amended Claims 3-5 and 7 are fully responsive to the Examiner's concerns.

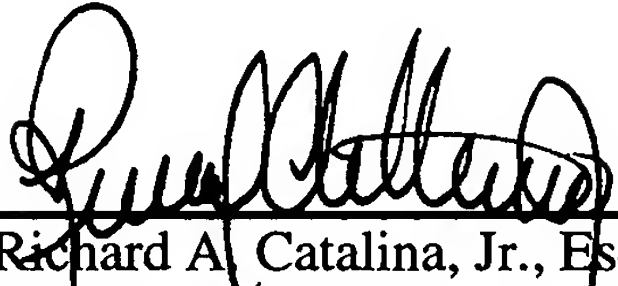

No new matter has been added and support for the amendments to the claims can be found in the specification and drawings. In addition, all claims canceled herein by Applicant are without prejudice.

In view of the above amendments, Applicant respectfully submits that Claims 3-5, 7, 9-13 are now in condition for allowance and allowance of these claims at an early date is solicited.

The Examiner is invited to contact the undersigned at (732) 380-0080 to discuss any matter concerning this application.

Respectfully submitted,
Ronald Swartz
